About the Contributors 339

ACKNOWLEDGMENTS

We would like to thank all the chapter authors who met deadlines, engaged ideas, responded to feedback, and wrote valuable chapters that make this book amazing. We are proud to have had the opportunity to work with all them. We are indebted to our reviewers for their valuable and thoughtful suggestions that have enriched this book. We are greatly indebted to Dr. Aneta Aleksander and Dr. Andrea Tomo, our research associates and colleagues, whose editorial acumen is reflected on every page of this volume and whose engagements enabled us to accomplish the project. We also acknowledge George Johnson, publisher of IAP, for his astute guidance in all stages of this project and for reaffirming our belief that IAP is the best publisher to work with.
